Dear Madam / Sir,

We, the **Department of Computer Applications** are proud to present our State Level Technical Symposium **IGORIONZ'24** on **24th Jan, 2024.** This is a part of venture towards enlightening the glow of our Technocrats.

This will be a highly technical platform for the contestants to share and earn valuable knowledge which would be a very memorable experience for all the contestants.

We take immense gratification in inviting the contestants from your college to join their hands together to add the **IGORIONZ'24** as a remarkable milestone to our success.

Hereby we have enclosed the details of the events. We would be gratified if you could display the poster for the information to the students and would be glad if you encourage them.

We request you to inform and encourage your students to participate in the programme and avail the opportunity to exhibit their talents.
