**ABOUT THE INSTITUTION:**

Sri Nandha Educational Trust was founded in 1992 with the goal of guiding young minds towards excellence through education. In 2000, the Trust established Nandha Arts and Science College with the motto Learn, Serve, and Succeed. The college focuses on providing the best facilities, personalized training, and excellent placement opportunities for students.

**ABOUT US:**

**ARTIFICIAL INTELLIGENCE & DATA (AI & DS)**

- The Department of AI&DS was established in the academic year 2023-2024 with an intake of 60 students.
- It specializes in developing tools for data visualization big data analytics, and data-driven solutions.
- This programme focuses on scientific methods and techniques drawn from fields like statistics, cognitive science, computer science, information science.

**ARTIFICIAL INTELLIGENCE & MACHINE (AI & ML)**

- Launched in the academic year 2024-2025, the department of AI&ML also began with 60 students.
- This programme aims to build systems that can learn and make decisions on their own, simulating human intelligence through AI.
- Machine learning plays a key role in achieving this goal, making the combination of AI&ML both powerful and practical.

# DEPARTMENT ACHEIVEMENTS

Mr. Hari Prasad S of III B.Sc. CS - (AI & DS) secured a prestigious international paid internship as a Data Analyst Intern at PT Aisensum Bigdata Analytics, Jakarta, Indonesia. This achievement reflects his dedication and brings pride to our institution.

Under the MOU with IBM SkillsBuild A20, the Artificial Intelligence and Data Science Department, along with the Placement Cell, organized a placement drive. Students were placed in leading companies like Apollo Tyres Ltd, MRF Ltd, Schneider Electric India Pvt Ltd, Tata Electronics, and HDB Financial Services.

Our students, S. Jaikrishna and P.Vinoth, proudly represented the Tamil Nadu Floorball Team and secured the Runner-up position in the 19th National Floorball Championship. recognition of their outstanding performance, they have been selected to represent the Indian National Floorball team and will participate in the upcoming International Floorball tournament in Singapore, bringing great pride to our institution and the state.

During the semester holidays, our students actively enhanced their technical skills by participating in Add-on Courses-Advanced Python for the Semesters III & IV and Data Visualization for the Semesters V & IV, demonstrating their commitment to continuous learning and professional development.
